

Plan by
the
Peacock

Subject	Grade	Comments
Running	B+	He is doing good but there is always one feather that trips him. IFY to cut it
growing	A+	He has improved so much. His feathers are now 6 1/2 feet high great job!
Alarm call	A+	He sounds like a angel. It is low and saeky gust like it is supost to be. He has also saved 3 lives with his call. good job.
Seeing	B+	they are not sparkling like they did But he is Doing good
shuffling	A-	He is doazing the girls But he needs to work on putting his feathers Down slowly
